

Motivational Model

Do/Be/Feel Table

Overall goal: Create dashboards for students on Canvas

Who	Do		Be	Feel	Concerns
Who are the stakeholders that are involved in this project?	What are the stakeholders trying to achieve/do via this project?		What should the system/stakeholders be?	What are the stakeholders want to feel when using/developing this project?	
Students	Visualise information	Visualize individual Data	Accurate	Helpful	personal privacy leak
Lecturers		Visualize class data	Intuitive	Engaged	
	Receive help	Receive individual feedback	Reliable	Clear	
		Obtain the suggestions	Helpful	Motivated	
	Interact with the dashboard		Easy-to-use	Satisfied	
	Customize the dashboard		Flexible	Enjoyable	
	Create templates		Convenient	Effortless	
	Comment about the dashboard		Clear Objectives	Confident	
	Preview dashboard		User-friendly	Convenient	
	learn how to create dashboards at the first time		Understandable	Supported	
				Informed
